We spoke last week about the best way to return a crate from Mauritania. I would like at this time to set this up with you.

Please find below the relevant details:

Subject: RE: shipment from Mauritania

Hi Sue

As per our tel conversation this morning, Mauritania is covered by a DHL EXPRESS/COURRIER SERVICE office.

I went in their web-site to see what is the apprx cost for Door to Door (Montreal city limit area) for this shpmt and the price is Apprx: 1400.00 cad (this is a ball park price) of course this is excluding duty & taxes.

If you or yr shipper has already an account open with DHL Express, the above price may vary?.

Hope the above info will help you
